

### **GUIDANCE NOTES**

This form can be completed by a person other than the patient, for example by a family member or a clinician. However, all the information provided should be about the patient. (Parts 8 and 9 of this form require the applicant to provide details if they are applying on behalf of the patient.

Please read the guidance available on Scotland's European Cross-border Healthcare National Contact Point <a href="http://www.nhsinform.co.uk/Rights/Europe">http://www.nhsinform.co.uk/Rights/Europe</a>, and the Scottish Government's health in Europe webpage <a href="http://www.scotland.gov.uk/Topics/Health/Services/Europe</a> and consult your local NHS Board's European Cross-border lead as necessary, before completing this form.

<u>Notes on the S2 route:</u> Applications<u>must</u> be authorised by your local NHS Board <u>before</u> treatment is provided in another EEA country.

- The treatment must be available and provided by the state healthcare system of the other EEA country.
- It is important to ensure that the EEA country of treatment is prepared to accept an S2 form issued by the UK Government before the treatment takes place.
- S2 applications for maternity services must be made directly to the Department for Work and Pensions.

### **Notes on the EU Directive route**

- Reimbursement can only be made for treatments that would be available to you on the NHS. If you are unsure whether a treatment would be available to you on the NHS, please contact your local NHS Board before you receive treatment. Find out more about the application process at <a href="http://www.nhsinform.co.uk/Rights/Europe/about/approval">http://www.nhsinform.co.uk/Rights/Europe/about/approval</a>
- Depending on the complexities of your individual case, it may be necessary to request further information to allow your application to be assessed correctly.
- The majority of applications can be made before or after treatment. However, applications for specialised treatments as set out in the Manual of Prescribed Services <a href="http://www.england.nhs.uk/wp-content/uploads/2012/12/pss-manual.pdf">http://www.england.nhs.uk/wp-content/uploads/2012/12/pss-manual.pdf</a> require prior authorisation and must be approved by your local NHS Board <a href="before">before</a> the treatment is carried out.
- Treatment received in another EEA country can be carried out by the private or state health sector in that country.

Reimbursement: Only treatment costs will be assessed for reimbursement. Translation costs to

the relevant NHS Board will be deducted from the amount to be reimbursed.		
<b>Proof of residence:</b> You must provide evidence to your local NHS Board that you are resident at the stated address and were / will be resident at that address during the treatment period.
