NHS Tayside has now considered your request dated 01 April 2019.

Extract from Request

“Please provide information on cervical screening:

In each of the last 3 years (January 2015 – December 2018), what was the average number of days taken to send results to patients on cervical screening?”

Response

The average number of days taken to send results to patients on cervical screening within the last 3 years is -

2016 – 17 days for results and 2 days for sending out results = 19 days
2017 – 14 days for results and 2 days for sending out results = 16 days
2018 – 26 days for results and 2 days for sending out results = 28 days

Under section 20 (1) of the Act, if you are dissatisfied with the way NHS Tayside has dealt with your request, you have a right to request a review of our actions and decisions in relation to your request, and you have a right to appeal to the Scottish Information Commission.

A request for an internal review must be made in writing no later than forty working days from receipt of this response and addressed to:

Tayside NHS Board Secretary  
Tayside NHS Board Headquarters  
Ninewells Hospital & Medical School  
Dundee  
DD1 9SY

If you are not content with the outcome of the internal review, you have the right to apply directly to the Scottish Information Commissioner for a decision. The Scottish Information Commissioner can be contacted at:

Scottish Information Commissioner  
Kinburn Castle  
Doubledykes Road  
St Andrews  
Fife  
KY16 9DS

Or via the online appeal service: www.itstpublicknowledge.info/Appeal

If you have any queries about this correspondence, please contact:
