NHS Tayside has now considered your request dated 23 May 2019.

NHS Tayside wishes to advise you that there are exemptions applicable to the information requested. Please refer to the exemptions section of this correspondence.

**Extract from Request**

“How many Haemophilia A patients are registered at your hospital or treatment centre, and also how many Haemophilia B patients are registered with you?

I am trying to understand how patients are currently being treated. So, in the last three months of data that you can supply, how many Haemophilia A patients have been treated with:

- Advate
- Eloxta
- Novo Eight
- Kogenate
- Nuwiq
- Refacto
- Hemlibra
- Factor eight inhibitor bypass activity
- Novo Seven
- Afstyla

Finally, have any been treated with Immune Tolerance Induction?

And similarly for Haemophilia B, in the last three months, how many patients treated with:

- Refixia
- Benefix
- Idelvion
- Rixubis
- Alprolix”

**Response**

1. Number of Haemophilia A and B patients registered in NHS Tayside:

   - Haemophilia A - 47
   - Haemophilia B - 11

2. Twenty one Haemophilia A patients have been treated with Refacto only.

3. There have been less than five Haemophilia B patients treated with Benefix and less than five Haemophilia B patients treated with Idelvion only.

Due to the small numbers of patients involved no further breakdown will be provided as disclosure of the information may lead to the identification of individuals.
