NHS Tayside has now considered your request dated 23 July 2019.

NHS Tayside wishes to advise you that there are exemptions applicable to the information requested. Please refer to the exemptions section of this correspondence.

**Extract from Request**

1) The number of car parking spaces you have for your employees at all your properties, and the location of said properties.
2) If your employees have completed a staff travel survey which includes questions on the method of transport used to get to their place of work, and if so, when.
3) If yes to Q2, what percentage of staff said they used a car as their primary method of transport to work.

**Response**

1. At present NHS Tayside does not hold information surrounding number of car parking spaces for employees in all their properties, however, this is a piece of work that we are hoping to complete in the near future.

NHS Tayside does however hold information for the following locations:

   Ninewells Hospital – 2,500 car parking spaces (94 designated disabled spaces)
   Perth Royal Infirmary - 659 car parking spaces (32 designated disabled spaces)

2. A staff travel survey was completed in March 2018 which included a question on how staff regularly travel to work. There were 813 responses.

3. Of the 813 responses please see below the percentage of staff said they used a car as their primary method of transport to work.

   8.12% of respondents’ car share with colleagues
   3.92% of respondents’ car share (dropped off)
   67.93% drive on own

**Exception Section** – Application of Environmental Information Regulations 2004 Exceptions and Data Protection Act 2018 Principles.
