

Significant Hospital Infection Incident

Tabletop Exercise

Friday 6 September 2019

9.30 am – 12.30 pm

(Registration from 9.00 am)

Rooms A, B & C, Improvement Academy, Ninewells Hospital, Dundee

A DATE FOR YOUR DIARY – PLEASE CIRCULATE

CONTENT

The aim of the event is to raise awareness of the multi-disciplinary response to a significant infectious disease event in a hospital setting by sharing knowledge, experience, sources of information and guidance

OBJECTIVES

- **Get to know colleagues who would be involved in managing cases or outbreaks of infectious disease locally**
- **Learn about other colleagues' roles and responsibilities and what your own would be**
- **Use epidemiological principles to investigate a cluster/outbreak of infectious disease**
- **Consider communication and media issues in relation to a serious infectious disease outbreak**
- **Build confidence and resilience regarding outbreak management locally**

TARGET AUDIENCE

- **Medical and Nursing staff across NHS Tayside with an interest in infectious disease management**
- **Microbiology and Virology staff**
- **Health Protection Team and Public Health on-call workforce**
- **Infection Prevention and Control Team**
- **NHS Tayside Communications staff**
- **NHS Tayside Occupational Health staff**

Attendance is FREE and a certificate of attendance will be provided for your records. Lunch is not provided however tea, coffee and refreshments will be available.
