

NHSScotland Event - Call for Posters

This year's NHSScotland Event will be held on 24 and 25 June 2020 at the Scottish Event Campus, Glasgow and the theme of the event is 'Meeting the Challenges: Building on Success and Reforming for the Future'

One of the key features at the event is the poster exhibition and with over 500 innovative teams and individuals submitting their projects in 2019, this is a networking opportunity not to be missed.

The NHSScotland Poster Exhibition forms an integral part of best practice, learning and sharing at the event. The call for posters is now open. Entries will be shortlisted and over 200 successful abstract submitters will be invited to display a poster at this year's event.

Poster abstracts should showcase examples of how your work embeds the quality ambitions and is taking forward the priority areas identified for action in the journey towards 2021 and beyond.

This is a great opportunity to raise awareness of your project, gain recognition, share best practice and make new contacts within NHSScotland.

The Call for Posters Guide can be found on the event website and contains information on the process for submitting an abstract, as well as details on all the poster categories.

The posters will be judged at the event and there will be a winner in each category, as well as a winner of the People's Choice Poster Award to be voted for by the delegates at the event.

There will also be a Transformational Change Award which will recognise work that is transforming the way care is provided in Scotland. If poster authors want their abstract to be considered for this award, please ensure this is fully illustrated in the abstract.

Winners will be announced on 24 June 2020.

For more information and FAQ about the NHSScotland Event visit:

www.nhsscotlandevent.com

If you wish to submit a poster abstract please complete the relevant abstract form and submit it to the NHS Tayside Communications poster coordinator: amanda.easson@nhs.net by 5pm on 3 February.
